Sentinel Products, Inc.
BETTER SOLUTIONS FOR A CLEANER ENVIRONMENT

PRODUCT DATA SHEET

522 SMOKE & ODOR CLEANER & DESTROYER

Sentinel 522 Smoke & Odor Cleaner & Destroyer is a concentrated, biodegradable, non-flammable, water based product uniquely formulated to clean and degrease soils and stains from surfaces while removing all types of malodors. Sentinel 522 can be used on restoration and remediation projects such as fire/soot, water, sewage, feces/urine, petroleum spills, bio hazard, hoarding, and pet/organic odors. Sentinel 522 can be applied with a variety of applicators such as sprayers, foamers, and foggers.

Application Information (Always follow product label instructions for best results)

USAGE GUIDELINES

Read the product label and Safety Data Sheet before use.

Sentinel 522 can be used for both indoor and outdoor cleaning applications. It is suitable for hard and soft surfaces such as floors, walls, ceilings, carpets, upholstery, building contents, and other surfaces. Test in a small inconspicuous area prior to using to ensure surface compatibility.

Sentinel 522 can be applied with a pressure washer, pump sprayer, foamer, ULV fogger or in bucket washing applications.

For best results, follow dilution guidelines and mix only with water.

DILUTIONS:

Light Soils: Mix 4 - 8 ounces of 522 per gallon of water

Medium Soils: Mix 10 - 14 ounces of 522 per gallon of water

Heavy Soils: Mix 16 - 20 ounces of 522 per gallon of water.

Can be used at up to full strength for the most extreme cleaning needs.

DILUTIONS - ULV FOGGING:

Depending on the severity of odors, dilute 1 part 522 with up to 5 parts water for use in ULV Fogging equipment.

DIRECTIONS FOR USE:

Mix product in applicator at desired silution levels and apply the solution onto surface. Ensure all affected areas come into contact with mixture. Allow product to dwell for a few minutes when removing tougher stains and soils. Agitate the affected surface with a brush or sponge and rinse with clean water.

WARRANTY

Seller makes no warranty, expressed or implied, nor accepts any reponsibility for any direct or consequential damages beyond purchase price, because seller cannot control users handling and use or effect of that use.

SPECIFICATIONS

Physical State:	Liquid
Appearance:	Clear
Color:	None
Odor:	Fresh Fragrance
pH:	8.0 - 9.0
Flash Point:	None to boiling
Boiling Point:	>212°F
Shelf Life:	60 Months
