VitalOxide®

Exceptional Performance, Easy to Use

ONE PRODUCT, EIGHT SOLUTIONS!

Vital Oxide is an EPA registered hospital disinfectant, cleaner, mold controller and super effective odor eliminator. Ready to use with no mixing required, just spray, wipe or fog right from the bottle.
Non-irritating to the skin and non-corrosive to treated articles.

1 EPA Registered Hospital Disinfectant
Proven to kill a wide range of viruses and bacteria Vital Oxide won't contribute to the formation of mutating "super bugs", and does not contain volatile organic compounds (VOCs).

2 Food Contact Sanitizer – No Rinse Required
NSF Registered (D2) Sanitizer
60 seconds it all it takes to kill 99.999% of bacteria. Vital Oxide is fragrance free and won't alter the taste of food on sanitized surfaces.

3 Molds & Mildew Controller
Actively combats the growth of mildew and mold. Safe on a wide range of surfaces from marble to carpeting and beyond.

4 Allergen Eliminator
Proven effective on pet dander as well as dust mite and cockroach allergens. Can be used directly on pet bedding & sleeping areas.

5 Odor Eliminator
End malodors caused by smoke, trash, septic systems, stale cooking & more. Vital Oxide contains no masking agents or fragrances and is highly effective at neutralizing urine and fecal odors.

6 HVAC and Air Ducts
Vital Oxide can be used in HVAC and Air Ducts for control of non pathogenic microorganisms including odor causing bacteria, mold fungus and odor-causing fungi.

7 Soft Surface Sanitizer
Vital Oxide's versatility allows for use on hard and soft surfaces. Tough on odors, Vital Oxide is also a proven sanitizer for soft surfaces by spot treatment. Use on couches, chairs, curtains, auto interiors and other soft surfaces.

8 Ant Killer
For indoor use in homes, apartments and residences to kill ants (excluding fire, pharaoh and harvester ants).

Multi-Surface Formula

GREAT FOR:

- Hospitals and health care facilities
- Medical and science research labs
- Restaurants, cafeterias, food service facilities
- Cruise ships, hotels, hospitality services
- Schools, universities, educational facilities
- Jails, prisons, correctional institutions
- Government and public service offices

VitalOxide

WIDE-RANGE OF USES!

EXCEPTIONAL PERFORMANCE

Economical & Easy to Dilute

Vital Oxide has three dilution ratios:

- ***Full Strength* — For Hospital Disinfectant**
  Heavy Duty Odor Eliminator & Mold and Mildew Controller
- ***5:1* — For Carpet Sanitization**
  Vital Oxide is compatible with most synthetic carpeting and commercial cleaning machines.
- ***9:1* — For 99.999% Sanitization on Food Contact Surfaces with No Rinse Required**
  60 second kill time on Escherichia coli & Staphylococcus aureus. Great for daily use.

Available in Convenient Sizes:

32 oz - Trigger Spray Bottle

1 Gallon - Bottle

2.5 Gallon - Bag in a Box

5 Gallon - Pail

55 Gallon - Drum

Breakthrough Technology

Vital Oxide has been designed around a chemistry that is unique in all of nature. Effective on a broad spectrum of virus and bacteria, like MRSA and H1N1, Vital Oxide breaks down to simple salt and produces no harmful by-products. Vital Oxide includes components that dramatically decrease the size of its particles. This increases the ability of the active solution to spread and penetrate both hard and soft surfaces.

Seals and Approvals

"As the president of a micro-biology testing lab, I see and evaluate new antimicrobial technologies often. After extensive testing, I can comfortably say that Vital Oxide is one of the most exciting new technologies on the market. Its dual-active system cleans well and is effective against a wide variety of pathogens – most importantly, it does the job quickly."

Benjamin D. Tanner, Ph.D.
President, Antimicrobial Test Laboratories

EFFECTIVE & LONG-LASTING

- *US EPA Reg. No. 82972-1 in all 50 states and Puerto Rico*
- *NSF rated (D-2) No Rinse Required on Food Contact Surfaces at full strength. NSF #141392*
- *pH balanced*
- *Shelf stable - two years from date of manufacturing*
- *No special shipping or handling instructions*
- *Fragrance free*
- *Gentle enough to use without gloves*

ELECTROSTATIC SPRAYERS AND FOGGERS

- *Tested using electrostatic sprayers*
- *Can be used in ultra low volume foggers*
- *Rooms can be used as soon as sprayed solution has settled*

VITAL OXIDE IN ACTION

- *Used in emergency response to eliminate Norovirus out-breaks.*
- *Used in disaster response to eliminate mold and mildew from flood damage.*
- *University and government sponsored studies document long-term effectiveness on mold and mold spores, even eliminating mold spores.*
