S4000EU

EASY UP
Modular Decontamination Shower

The most economical and user-friendly metal shower available.

The EASY UP S4000EU Modular Decontamination Shower from Abatement Technologies® provides contractors with the most economical and user-friendly metal shower available. When assembled, EASY UP is large enough to fit tall workers; when disassembled, it is small and light enough for a worker to hand carry like a briefcase or suitcase.

FEATURES & BENEFITS

- Fast set up
- Quickly disassemble without tools
- Only one able-bodied person is needed to setup in a few minutes
- Large enough to fit tall workers
- Easy to hand-carry; the floor module functions as a compact carrying case for the multi-piece, interlocking corner poles
- The curtains, showerhead, and mixing valve are attached to the top module
